

CARINE SENIOR HIGH SCHOOL

Seeking Excellence in Education

Principal: Damian Shuttleworth B.Arts. B.Ed. MSL

Carine Senior High School Colours and Honours Process

Rewards and recognition are important at Carine Senior High School. One of the ways we acknowledge students for their positive contributions to our school is through the Colours and Honours awards which **are end of year award celebrations**. These are given to students who have achieved excellence through school-based endeavours in Academic, Service and Sport categories.

For all award types, recipients are approved by the principal. All applications are considered and the final decision falls to the principal.

Mid-Year Awards:

Mid-Year Academic Certificates are celebrated in Years 7-10 through our Principal Awards. Students who meet the criteria from their Semester One report results are invited to a morning tea to celebrate their achievements.

End of Year Awards:

Students who meet the criteria are eligible to receive a Carine 'Colour' for Academic, Service and Sporting achievements. These are presented at the end of the year for Students in Years 7-10. Year 11 Colours are presented at the first assembly the following year. Year 12 Honours are presented at the Final Year 12 Assembly. Students will receive a certificate and a badge.

Self-nomination forms are on the Carine SHS website under the Colours and Honours tab and an optional survey is sent to students in Term 4. Nominations are the responsibility of students. Teachers who lead community events may complete their own nominations.	Sport teachers will select top performing students from their team or event for nomination.
