General Business

Discussion:

- CSHS music department representative is Carla Christou
- Minutes provided from music meeting on Tuesday the 21st February
- Music tour scheduled for June /July 2024
- Auditions for the tour began this week
- Fundraising at cake stall Carine Fair located at Carine Open Space on Sunday the 19th March as well as 2 Bunnings sausage sizzles in June and October 2023
- Approval for locations of music tours will need approval from the school and then the minister or director general. This process has become more strident due to COVID

- Marmion PS students study German. Why do they not study French for continuity into CSHS? The German teacher is also familiar with the French language. Response from Damian- the French curriculum has been structured so it begins with the basics so all students do not find the content difficult

- Future of student numbers for CSHS? There will be 2510 in 2024

- There are currently students at Carine PS who are pen pals to children in the Ukraine. Kerri will look into organising this at CSHS

- World's Greatest Shave went well with 6 students volunteering. Thank you to the 2 barbers who volunteered their time

- A member enquired about what the P&C have funded in the past. A detailed motion register of this will be emailed and also presented by the secretary at the next P&C meeting

Meeting closed at 7.35 pm
