Program Placement 2025

To prepare for the Year 7 program placement in 2025, Carine Senior High School use a comprehensive approach to data collection, inclusive of a combination of online assessments and Year 6 academic achievement.

Gifted and Talented Program students have already undertaken extensive testing to gain entry to their program and so are excluded from the requirement to undertake this testing.

Program Placement data is used to:

1. Place students in similar ability Maths classes and offer places in Extra Numeracy, Focus Maths and Core Maths.
2. Offer places in Year 7 Literacy Support Programs: Focus English and Extra Literacy.
3. Offer positions in each of the Academic Extension Maths, Science, English and HASS programs.

For all incoming 2025 Year 7 students, Carine SHS staff will be visiting local intake primary schools, to administer Program Placement testing during Semester Two 2024. All other students will be invited to attend Program Placement testing at Carine SHS.

French Academic Extension program application forms can be found in this package.

CARINE SENIOR HIGH SCHOOL MUSIC PROGRAM 2025

Please consider your child's Music Application carefully. Once selected, it is strongly recommended that ongoing instrumentalists continue the Instrumental and Class Music Program until the end of Year 10 and continue on in Year 11 and 12 if they have the aptitude.

Midyear requests to withdraw from the Instrumental Music Program will not be considered unless in exceptional circumstances.

Instrumental Music is accompanied by two periods of class music per week for the year, the course is called Music in a Digital World. In Semester 1, it is assessed in the Performing Arts context, in Semester 2 the Digital Technologies context. Students will not be able to withdraw from these courses throughout the year.

Instrumental students are required to be in at least ONE ensemble e.g. band, orchestra, choir. These ensembles run before and after school. There is also an occasional commitment from students to perform in school and community events, such as assemblies, orientation day, parent nights, primary schools and festivals.

Every two years, the school endeavours to offer the opportunity to Music Program students to take part in an international tour. Further details regarding this will be provided at the appropriate time prior to any tour, including an audition process.

Students who hire an instrument from the Instrumental Music School Services must have the insurance on the instrument paid before the instrument can be issued (\$120).

If you are an Instrumental Music School Services (IMSS) student or would like to apply to be an IMSS student, please complete the enclosed Form 5 and return it to Carine SHS Reception as soon as possible.

Please contact Head of Learning Area - The Arts Ross Brennan at ross.brennan@education.wa.edu.au should you require further information regarding the Music Program at Carine SHS.

STUDENT CODE OF CONDUCT

1

Treat all people with respect

2

Follow staff instructions

3

Follow school rules, policies and procedures

4

Pursue excellence in all areas

5

Be responsible

STUDENT ATTITUDE, BEHAVIOUR AND EFFORT AT SCHOOL

In addition to reporting students' achievement in the eight learning areas, teachers at Carine SHS will report on eight attributes relating to the development of attitude, behaviour and effort - factors that influence learning. A student's attitude, behaviour and effort has an important bearing on their own learning as well as the learning of others.

Lower School

1. Works to the best of their ability.
2. Participates fully.
3. Shows courtesy and respect for others.
4. Is well organised.
5. Meets deadlines.
6. Works independently.
7. Behaves appropriately.
8. Makes positive change in response to feedback.

Senior School

1. Participates fully.
2. Behaves appropriately.
3. Is well organised.
4. Meets deadlines.
5. Works autonomously.

Each student should strive to achieve a 'Consistent' mark against the eight attitude, behaviour and effort descriptors (ABE) on the Semester Reports.

There is a strong link between student academic grades and student ABE attributes. Each semester, student report reviews will be conducted, identifying which students have performed below expectation academically across a number of subjects and also across the ABE attributes. These students and their parents may be requested to attend a report review meeting with a member of the Student Services Team to ensure performance improves in future reporting cycles.

Students receive ABE House Points for demonstrating good attitude, behaviour and effort at school. These points are tallied for various rewards and recognition, both group and individual, throughout the school year.

ATTENDANCE, ARRIVAL AND DEPARTURE PROCEDURES

Pick Up and Drop Off at School

Parents/guardians are not permitted to pick up or drop off students in the staff car park on Everingham Street. Parents/guardians meeting with a staff member or collecting their child early are permitted to park in the limited visitor parking available in the staff car park. Entry gates are locked at certain times during the day so please use the intercom system for entry if this is the case. Osmaston Street also has limited street parking and there is a parking area off Silica Road. Parents/guardians should report directly to Reception to sign in when they arrive at the school.

Students arriving late at school

Students arriving late for school are required to sign in at the Attendance Office with a note from a parent/guardian, or sign in accompanied by a parent/guardian.

When a student arrives late to school without a Reasonable Cause, this is recorded and Year Managers will follow up with appropriate strategies and consequences.

Students departing school early

Students who need to leave school early for appointments or other legitimate reasons should:

- Bring a signed parent/guardian note to Reception before school and complete a student Leave Pass. (New students will be assisted by Reception staff).
- Come to Reception before school if parents/guardians have chosen to send an explanatory email to carine.shs.absentees@education.wa.edu.au rather than a note.
- Or use COMPASS app to enter details

Parents/guardians who wish to collect their child early and whose child is unaware (eg in the case of a family emergency), should call 6235 7500 ahead so arrangements can be made to locate and inform the child.

Parents/guardians are asked not to text their child during school hours. Students with their phones turned on during school hours are in breach of the School Mobile Phone and Electronic Device Policy.

Student absence

Parents/guardians of students who are absent from school due to sickness or other legitimate reason, need to inform the school on or prior to the day of absence via email carine.shs.absentees@education.wa.edu.au, Connect, via the COMPASS app, or phone 6235 7500. Students are required to bring a signed explanatory note to the Attendance Office immediately following the absence, if a valid reason has not been supplied in previous communication.

Student vacations during school time

Parents/guardians who wish to remove their child/ren from school to go on vacation must apply for acknowledgement from the Principal by emailing carine.shs@education.wa.edu.au. Vacations during term time are considered unauthorised absences. In all instances, the Lower School and Senior School Assessment Policies will be followed for assessments conducted and due during this time. A *Quick Guide for Students* of these policies is available in the Carine SHS Student Diary.

Log in details for Compass will be emailed to incoming families prior to starting at Carine SHS.

HOUSE SYSTEM

Carine SHS has four Houses:

Emerald	Green
Silica	Blue
Topaz	Yellow
Zircon	Red

Why these names? These names represent precious minerals that hold not only scientific and cultural importance but are also streets in our local area.

Students are encouraged to dress in their House colours for House activities including the annual athletics and swimming carnivals. Student participation in any carnival event earns House points and goes towards the Overall House Champion Awards.
