Seeking Excellence in
Education

Acknowledgement of Country

We acknowledge and pay our respects to the Traditional Custodians of the lands and waters on which our students live and are educated throughout Western Australia.

The story of our local area is shared through the artwork by Ms. Yarran's sister, Mariah, which represents the three main lakes surrounding our school. This painting also features the Kangaroo Paw and White Gum flowers, native to the area and in bloom during Kambarang—the season when we celebrate our Year 12 students graduating and welcome our new Year 7 students as they begin their journey into high school.

We honour the Aboriginal Elders, parents, families, and communities who were the first educators of their children. We recognise and deeply value the rich cultures and strengths that Aboriginal children bring to our classrooms.

Getting Organised

Coming to high school means students may feel unsure of how to organise themselves, with parents unsure of how to support.

Our *Getting Organised* guide will be emailed to you and available on Connect.
